**Church Family,
Numbers**

Before we leave the book of Numbers, I want to take a moment to try to pull some applicable truth for those of us who struggle a bit with what we can take away from one of the drier books of the Bible. What we can find after the census and the order is a sad story with a glimmer of hope.

Moses will not enter the Promised Land that God had for His people because of his sin. The people of God rebel and their hearts become set on foreign gods. The Levites abandon their duties and Aaron, Moses' own brother, eventually dies. Dark times surround God's chosen people throughout the book of Numbers. Even so, God has a plan for His people and a successor to Moses in place.

God has a plan for your life as well, and as we discussed yesterday, the chance to be obedient and have the slate wiped clean starts today!

**In Christ,
Bro. Les**
